About the Fallen Firefighters Memorial Golf Tournaments

In 2003, the first National Fallen Firefighters Memorial Golf Tournament was held to raise awareness and to help sustain the programs of the National Fallen Firefighters Foundation. The Foundation was created by the United States Congress to lead a nationwide effort to remember America's fallen firefighters. Since 1992, the nonprofit foundation has developed and expanded programs to honor fallen fire heroes and assist their families and coworkers.

Now in its sixth year, the National Fallen Firefighters Memorial Golf Tournament has grown to include over 40 regional golf tournaments held across the country on behalf of the National Fallen Firefighters Foundation. These tournaments will help the Foundation continue to support the families and co-workers of fallen firefighters.

In 2008, 23 tournaments raised over \$200,000 in support of the National Fallen Firefighters Foundation programs!

Here are just some of the programs that your donations help support:

National Fallen Firefighters Memorial Weekend held every October in Emmitsburg Maryland

Fire Service Survivors Network – matches survivors with similar experiences and circumstances

Scholarships - spouses, life partners, children and stepchildren of fallen firefighters for post secondary education and job training

Taking Care of Our Own® Program – helps fire departments prepare for the worse, an injury or LODD

Fire Service Survivor Conference

Local Assistance State Teams

Everyone Goes Home® Program
